

To Whom it may concern

Chicopee Cleanroom wipes are suitable for us in ISO Class 5 Cleanroom and above. Chicopee's recommendations for products for cleanroom classifications are based on cleanliness and suitability. However, specific applications may affect that recommendation and the final decision must be made by the end user for their particular application.

Product code	Product name
74609	Cleanroom 100
74607	Cleanroom 100
74608	Cleanroom 100 sterile
