REGULATORY INFORMATION SHEET

The following information is provided as a correction to a Certificate of Compliance previously issued by PGI-Chicopee for the product formerly named Super-Twill Hygiene and currently named Multipurpose Super.

Food Contact Status

According to a Food Contact Compliance (FCC) Certificate issued by the independent laboratory ISEGA on 7 November 2013, this product 'may stand in direct contact with dry, moist and fatty foodstuffs for a short period of time'.

Please accept our apology for the error which appeared on the PGI-Chicopee Certificate which mistakenly used the word 'non-fatty' instead of 'fatty'.

Please contact me if you have any question about this correspondence. Note that my department has responsibility for all regulatory claims for AVINTIV products which include all previous PGI brands including, but not limited to, Chicopee.

Regards,

A handwritten signature in black ink that reads "C.L. DeMille".
